# ***We are halfway to our final destination***

FMA PRESIDENT  
**SCOTT KERN**

Can you Believe it the year is a half over already? It has been a great year so far.

We are up in membership and ahead of schedule on our commitment to the Horizon special project.

I have had the privilege to attend 10 district meetings, and the level of fraternalism is simple amazing.

As I was planning a trip to District 16, I did some research and realized that at the start of the year they were standing at 29,187 members, standing as the largest district in the FMA.

It made me wonder how they stacked up against other associations. That's right, associations.

They beat 35 out 43 associations in member-

ship and one lodge in particular is larger than 28 associations.

Simply incredible.

I'm so glad I waited until after mid-year to finish this article, because it was an awesome Mid Year Conference.

Starting with all the volunteering that our members did at Give Kids the World, then there was the Fun night and the C.O.B. party... all I can say is OMG!

The members had some amazing costumes.

During the sessions there were some great reports.

Then we finished the weekend off with the banquet for some of us.

I can't wait to see what the rest of the year brings.

Another crazy stat:

**The FMA is larger than the 30 smallest associations combined.**

Just let that sink in.

*I will leave you with this short poem:*

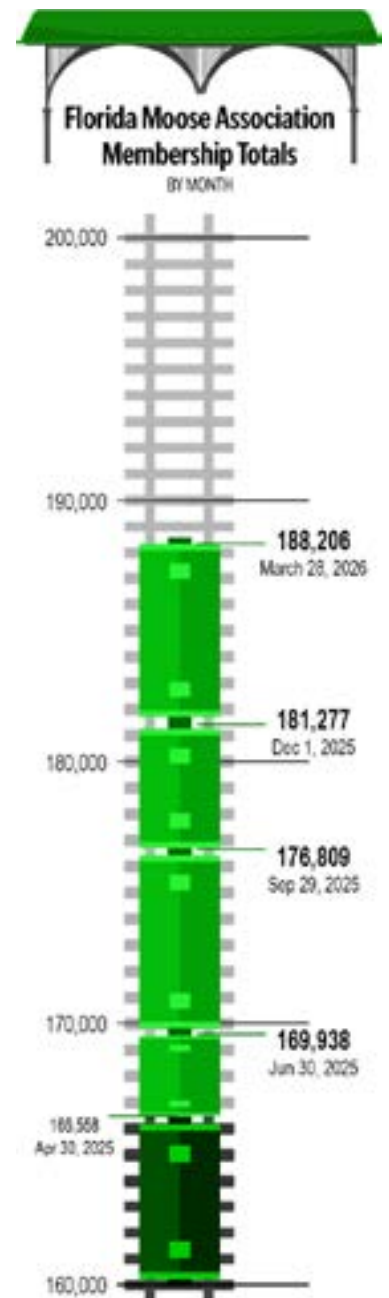

## **The embrace of the mentor**

**In tender moments, hands entwined a mentor's heart will be aligned.**

**With every embrace, they show they care, guiding us gently,**

**always aware their laughter weaves a sacred bond, in joy and sorrow, we respond.**

**Through every trial, loves embrace, a mentor's warmth is our safe place.**

Marv has sponsored more than 250 new members and is currently serving as Lodge Treasurer and President of the Indian River 178 Moose Legion.

# Moose Lodge Veterans Support

## A Community Effort

**ROBERT SMALL, Special to The Courier**

Not far from Punta Gorda Lodge is a Veterans Home, managed by [Volunteers of America](#), which provides shelter and assistance to about 24 veterans who are homeless or at risk of losing their homes.

The dedicated staff and volunteers at the home work tirelessly to help these veterans regain stability and rebuild their lives, offering resources and guidance to get them back on their feet.

Punta Gorda Moose Lodge 1693 Board of Officers recently felt a strong calling to support local veterans in a meaningful way.

Inspired by the desire to make a difference, the Board decided to host a Pizza and Wing Party in the Veterans Home's Community Room.

The initial plan included providing each veteran with a \$25 Walmart gift card.

Kim Small and Jane Kloszewski, two dedicated Lodge

members and officers, took the initiative to reach out to our Lodge community for donations.

Members responded by raising an incredible \$3,100 in just five days.

Thanks to their generosity, we were able to increase the gift card value to \$129 for each veteran.

The commitment from members at Punta Gorda Lodge truly made this event possible.

On March 11 at 12:30 PM, Robert Small (Lodge President), Kim Small (Administrator), Jane Kloszewski (Vice Preseident), and Leonard Scott (also a veteran) arrived at Veterans Village carrying ten pizzas and a generous amount of wings. The veterans welcomed them warmly, and they all shared a hearty lunch together.

After the meal, they presented the \$129 Walmart gift cards along with special thank you cards from donating members.

# Gaming efforts ongoing

## JERRY MONK, Lobbying Chairman

This past Legislative season went by like most, fast a furious.

Our Lobbyist, Bill Helmich, was fully engaged during the session.

Several members along with members of the Veterans Service Organizations attended a few of the Committee sessions held regarding gaming bills. Our voices were heard and hopefully left a positive memory for the members of the committees we were in front of.

There were a total of five bills this session dealing with gaming.

Unfortunately, we could not get any approved that are favorable to our lodges at this time.

We will not give up, and we are already working on bills for the 2027 session.

## Mid Year Projects provide comfort and care to children with life-threatening illnesses

This year's Florida Moose Association's Mid Year Heart of the Community projects focused on providing [Give Kids the World](#) with volunteers, Wish Pillowcases, and of course, the Moose icon "Tommy Moose" plush dolls.

Thirty-six Volunteers spent time in a variety of volunteer positions throughout the day and night.

They served breakfast in Clayton's Cafe and Breakfast at Zack's Timeout, assisted in the Castle, delivered food, and handed out

cookies, brownies, and milk.

Collectively, they provided GKTW with a total of 135.22 hours of volunteer service.

Over 8,000 children with life-threatening illnesses visit the Village annually. The goal in the Tommy Moose doll donations was to provide a Tommy Moose doll to as many of the children as they could.

All totaled, 1,296 children will receive a Tommy Moose doll thanks to

## South Lakeland Mulberry Moose Lodge 2295 Lights Up the Night for Polk County Bully Project

DONNA WILSON, Special to The Courier

Community spirit shone brightly in Lakeland on February 21st as the South Lakeland Mulberry Moose Lodge 2295 hosted a successful and vibrant “Glow in the Dark BINGO” fundraiser. The unique event was dedicated to supporting the critical work of the [Polk County Bully Project](#), a local organization focused on rescuing and advocating for bully breeds.

The energetic evening brought together Lodge members and community residents for a night of glowing fun, all while raising much-needed resources for animals in need. Thanks to the generosity of the at-

tendees and supporters, the event raised a fantastic \$1,500 in cash donations.

In addition to the monetary contributions, the Lodge collected a substantial array of essential supplies. Over \$2,000 worth of dog and toys, pillows, and blankets were donated, providing tangible comfort and care for the animals currently sheltered by the Polk County Bully Project.

The gratitude and camaraderie in the room was palpable, as veterans expressed their appreciation for the community's support.

During the event, they had the privilege of speaking with several veterans, including Kelvin Jackson and Emmett Evans, who served in the Marines and Army.

Kelvin shared a heartfelt moment, saying, "I prayed this morning as I needed money for fuel in my car to get to work, and the Good Lord answered my prayers with this gift card."

He noted that they usually receive smaller gift cards, but the \$129 value was a true blessing.

Veterans like Kelvin and Emmett reminded everyone of the profound impact small acts of kindness can have.

At Punta Gorda Moose Lodge, giving back is part of who they are.

This event not only provided practical support for local veterans, but also fostered a sense of community and appreciation.

Thank you to Kelvin, Emmett, and all who have served. Thank you to the members and officers for their generosity and dedication.

# WILLIAM FINDS KEY TO SUCCESS

SARAH JACKSON, Florida Sheriffs Youth Ranches

This spring at the [Florida Sheriffs Youth Ranches](#), we are celebrating fourteen graduating seniors!

The Donald Ralph Cooke School Class of 2026 has worked hard to earn these diplomas, and we are so excited to see where they go next.

Many young people arrive at the Ranch with low grades due to problems outside of the classroom.

A lack of structure, stability, or motivation paired with neglect or abuse can make studying feel unimportant.

At the Ranch, we show our youth they CAN succeed!

Our teachers encourage their students to push themselves and set their sights on the future, not just the past.

William is a graduating senior, and his future plans are pretty simple: get a diploma; join the U.S. Marine Corps.

WILLIAM

This young man arrived at the Ranch with a lot of mental armor on.

In many ways, he still carries it with him. When youth come to us from hard places, it takes a while to feel safe again.

"I knew my family loved me, but they showed it in the wrong way," William said.

William lives in the Pettys' cottage with the other senior boys.

Pop Petty, a military veteran himself, spent a lot of time building trust with William.

Mom Petty bonded with William over his love of nature, and they often take walks on the trails at the Ranch.

"I might not agree with their decisions, but I know at the end of the day, they love me," William said. "I'll trust them to do what's best for me."

Another adult in William's life is his supervisor at Maintenance.

Kelly Putnel and his team make sure the youth have a

the efforts of our Lodges and Chapters in April.

Additional dolls came from the efforts of the state's Moose Riders during the year.

Volunteer efforts of those who made WISH Pillowcases throughout the year, produced 2,439 of the soft child-size pillows.

They serve as a special keepsake for each child who stays in the Village to take home, as well as provide comfort on their days of medical procedures and hospital stays.

In all, the estimated value of these projects totaled over \$20,000.

Following the fundraiser, the impactful contributions were prepared for delivery. Pictured are Lucy Pimental and fellow Lodge member Donna Wilson personally delivering the truckload of donations to the Polk County Bully Project, where they were gratefully received. Donna collected dozens of gift cards and products, that were used as prizes.

job each day during work program. Sometimes that means picking up debris around campus, and sometimes it means fixing things in a cottage.

In between jobs and in slower moments, KP takes the time to talk with his Ranchers, always asking about their day and giving out advice when needed.

"KP is like that uncle that gives you advice when you least expect it," William joked. "It's the small pieces of advice that some of the staff members give you, and it doesn't have to be, like, profound, but it sticks with you."

For William, working is the thing that feels the most familiar. He focuses on a task and enjoys the feeling of accomplishment when it's completed.

"My advice to Ranchers is find what you love on the Ranch and stick to it," William said. "If you don't stick to it, it won't be able to help you. Find a job you love and find a staff member you trust, and stick with it."

William's unique brand of loyalty and determination is what caused him to want a career in the military.

**Everybody in my family has told me I can't do it.  
I'm not going to graduate, I'm not going to  
make it in the Marines. But I'm going to do it,  
and I want it - to be the Marines -  
because they're the first ones in,  
the last ones out. I want to prove everyone  
in my past that they were wrong.**

*~ William*

William is graduating and pursuing his goals because of friends like you! We are proud of his accomplishments and wish him luck with his enlistment.

Thank you for making stories like this possible!
