Note from the Editor:

Happy New Year to everyone. Thank you for your support and all you do for the Moose.

2022 was some year and I hope everyone survived and kept warm over Christmas without pipes bursting and without interstate or airport delays. Personally, I look forward to a calmer and more stress free year for all of us.

We had many of our members suffer from Hurricane Ian and I know our FMA officers have provided information for requesting aid from our Emergency Relief Fund. Check out the FMA website at Floridamoose.com if your Lodge is in need. And, if not, consider making a donation to the ERF by sending a check to Dan O'Neal made out to the FMA and earmarked for the ERF. We need to keep that fund robust and ready for any future disasters. Thanks to those who have already donated. Your donations are truly appreciated.

This issue of the Courier has many new lodges represented and as you will see that many Florida communities across the state have benefited from Moose donations. Homeless, seniors, students and families were recipients of much needed gifts such as blankets, gifts, etc. We have shown our communities that we truly care and, believe me, that reflects well on the Moose!

Make sure you register for our FMA Mid-Year Conference and if you can make it, the Moose convention being held in Reno, NV, this year. That should be a really good time! You need to make your room reservations for both events! They fill up fast. I hope to see many of you in April at the Rosen Plaza and in Reno in June. Till then, keep doing what you do and support the Florida Moose Association, the Moose and its charties, Mooseheart and Moosehaven.

Thank you.

Message from Territory Manager/FMA Liaison

I hope everyone enjoyed the Holidays.

At the time of this writing the Moose Fraternity was up in membership once again. Current total of fraternal members was at this time 852,547. The FMA of course was showing how it is done.

Let's keep this going and have every lodge at plus one every month. We can achieve this by working to keep

our retention rate at 80%. Remember, every month we let members expire makes it that much harder to get them back and to finish this fiscal year at plus one. Work last month's expired list. Always contact those that have not renewed by the 15th of each month. After all retention means not letting them expire to begin with. Send them a quick pay link in an e mail or text.

I know lots of lodges have something in their lodge to incentivize members to join or sponsor new members. But what are we doing to celebrate when our members renew?

Look at your deposit lists and see who has renewed and send them a simple email saying, "Thank you for continuing to support Mooseheart, Moosehaven and your lodge." Maybe have a raffle each month for a \$25.00 bar tab. If you renew, your name goes in the drawing. If you sponsor a new member your name goes in. If you sponsor 4 new members you get 4 chances to win.

Put new members in the drawing as well. Send them a welcome email with a lodge calendar of events and explain they are in a drawing for the bar tab. Great way to get them to come in. Also you will find out right then if the email is a good one.

Keep your lodges busy and fun. Make it a place your members want to show off to their friends and family and ask them to join.

Thank you for all you do every day to make our lodges the best they can be/

**Roy Rawlings,
FMA Liaison**

Message from the FMA President

Deb, me and the FMA Executive Committee wish you and yours a belated Merry Christmas and a Happy New Year.

2022 is now in the books as the best year our Fraternity has had in years and it is all due to you. Everyone worked so very hard on donations, membership, retention, training and just being a fun loving group of like-minded people. All

this and more for the benefit of our children our seniors and our communities. My wish for this year is that each of you take the opportunity to visit Mooseheart or Moosehaven to receive the thanks our residents will give you. Your eyes will water and your heart will be full.

This year is jam packed full of things to do. The easiest way to see what and where is to look at the Courier and Moose Intl. calendars on line. There you will find fishing, pickle ball, pool, card tournaments, polar plunges, golf and so much more. Get involved, come on out and play or just watch. Our hard working committees need your support.

Now for the biggies. Florida Days in March at Moosehaven is a lot of fun. Our April Mid Year Convention offers education in many forms, fellowship and more. The Moose International convention in June is in Reno, NV. This looks to be a great convention. Then our FMA state convention in September is always a fun and busy time.

September through mid-December our numbers are impressive. FMA membership is up 2467 new members and growing each day. However our expired and dropped numbers also grow.

Why aren't we meeting the members expectations? Any ideas, please feel free to let me know.

Please remember to inspire, engage, look higher, think bigger and expect more.

Thanks everyone for your support and all that you do.

Wally Machermer, FMA President

\$1000 prize raffle proceeds will help to build Emergency Relief Fund

Officially, November 30th marked the end of the hurricane season, but we were visited by Nicole mid-month proving that these dates are subject to change. I bring this up as the Emergency Relief committee must keep raising funds so we can help whenever and wherever help is needed. Yes, Moose International opened their wallet and has offered help, but we are Florida after all and we show the way. Remember, “FL” isn’t just Florida Left, but **Florida Leads!**

Pictured is the current raffle ticket which will be drawn at Mid-year. I have had District presidents tell me that some lodges are saying they are out of harm’s way. This may be true; however, what happens when a tree falls and takes out the lodge’s roof and A/C? Where on the ticket does it say “Hurricanes Only”? Any “force majeure” damage is an emergency. Perhaps then they will realize what this Fund is there for.

I will send tickets to anyone who thinks they can move \$30 (6 tickets) worth. My address is on the last page of this newsletter. Of course, I’ll be in Orlando in May with more tickets for sale before the final drawing. PS, you don’t have to be present to win. Thanks to all who have already donated to our fund.

Charlie Titheridge, Chairman ERF

High School student and family benefit from Halloween party fundraiser

The Big Pine Key Women of the Moose Chapter 1810 held its annual Halloween Party, which became a Fundraiser, on October 28. All proceeds to benefit a Key West High School student and his parents who lost everything in a fire in Key West during hurricane Ian. The family was brought to our attention by a member of our Lodge, who is a teacher at the High School.

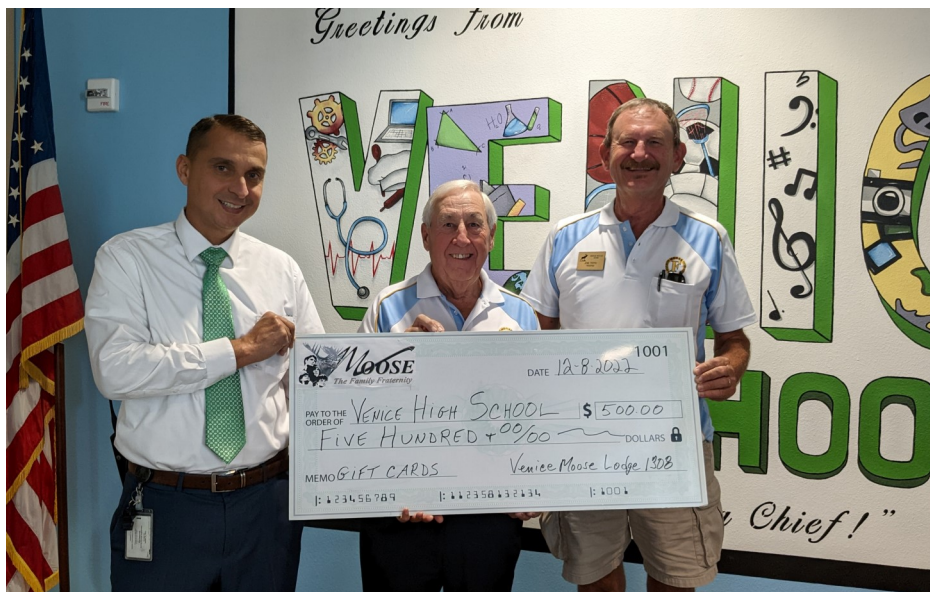

We had a potluck dinner (donation only), 50/50, and Costume contest just to name a few things from the event. The Chapter raised \$1554 through their event and Big Pine Lodge 1585, graciously matched what was raised. On November 8th we presented the Kejzlarova Family with \$3108 and 3 Winn Dixie gift cards, which were prizes donated back from the costume contest winners.

Children treated to a huge Christmas party at the lodge

On Sunday December 11th, the Englewood Moose hosted their annual Children’s Christmas Party. The Party was the work of the lodge’s Women of the Moose chapter.

64 children attended and participated in many festive and fun activities. All of them received gifts thanks to the great members that made it such a success!

50 year Moose member inspires service and communication

Recently, I had the privilege to meet with James Rainey to talk about his life and his 50 year history as a member of the Moose. Across our conversation, what struck me was that he is humble; silently proud, and carries with him a distinguished legacy that erupts from his character, reputation, and ongoing life example to assist others.

Jim is proud to be a Navy veteran having served in WWII as a chief petty officer. In addition, he also served in the Korean conflict and in Vietnam. He loved the Navy and would, if he could, continue to serve.

A member of Palm Harbor Moose 433, Jim served as a bartender, Government Relations chairman, Treasurer, as well as Community Service and Sports chairman.

He views the Moose as an organization that helps its members and the community, and feels like he was a voice to orchestrate improved communication and involvement with the women of the Moose.

As we ended our conversation, I thought how blessed I was to know this man who not only loves our country, but who cares so deeply. Congratulations Jim, for being just you, and for 50 years of membership.

Lodge takes part in annual community holiday parade

Yes Virginia, once again there is a Santa Claus that lives in the hearts of Palm Harbor 433 members. Eighteen members (along with daughters and grandkids) participated in the Annual Palm Harbor holiday parade. Virginia, the spirit of the holidays lived within each of us with every child's smile; every parents tears, and the sense of wonderment generated. Special thanks to the many that volunteered.

Driver of the Year: Ross Chastain

Before the season began, there was a pretty good sense of who Ross Chastain was and what he was capable of. Through years of overachieving in lesser equipment, the consensus was that Chastain was a talented driver who made his way on merit, and one that was capable of taking the better equipment he worked his way into and winning at least one Cup race with it.

But in only his second season running all 36 Cup Series races, Chastain performed at a level that even his fiercest advocates may not have expected him to. Not only did Chastain earn the first two wins of his career at Circuit of the Americas and Talladega, but he also led all drivers in top-five (15) and top-10 finishes (21), led the fourth-most laps of all drivers (692) and had the second-best average finish of all drivers (13.3).

In many of the season's top moments or greatest conflicts, Chastain was a central character. His stand-your-ground, unapologetically aggressive style of driving harkened back to an era where rubbin' was racin', and it earned him just as many fans as it earned him enemies on the racetrack. And that was before he risked life and limb to make the Championship 4 and produce one of the greatest highlights in NASCAR playoff history at Martinsville.

If any single driver defined the 2022 season, it was Ross Chastain and his arrival as one of stock car racing's best.
